

Digital Transformation. Human Innovation.

The combination creates infinite possibilities.

Digital Technology is the new element we can't live without. While business transformation is digital, innovation is human.

Mastech Digital (NYSE American: MHH) is a leading provider of Digital Transformation IT Services. The Company offers Data Management and Analytics services; other digital transformation services that include Salesforce, SAP HANA, and Digital Learning services; and IT staffing services. A \$147.9M, minority-owned enterprise, Mastech Digital is headquartered in Pittsburgh, PA with offices across the U.S., Canada, and India.

Digital Transformation Services

Mastech Digital offers practice-led services around Digital Transformation that include:

- Deriving more value and return from your data assets through our Data Management & Analytics services
- Smart measuring of your master data using Veriscope, powered by Mastech InfoTrellis
- Customer Engagement Solutions driven by Salesforce – the most efficient roadmap by Mastech Digital
- Organizational Learning and Development programmed by Digital Learning
- Enterprise Analytics powered by SAP HANA – higher returns through our Road-2-HANA

IT Staffing

Mastech Digital offers staffing solutions across digital and mainstream technologies.

- Digital workforce with experience in SMAC, Automation, and IoT, and front-end engagement in UI, UX, and Campaign Management
- Specialized skills around Data Management & Analytics, SAP HANA, Salesforce, and Digital Learning
- Mainstream Technologies: Mainframe, Database, Middleware, Data Warehousing, Microsoft, and Open Source
- Business Analysis, Project Management, IT Administration, and Helpdesk Support

We specialize in finding “purple squirrels” – those rare skill set and technology combinations.

Offshore Staffing Services

Mastech Digital offers services delivered on an Offshore Staffing Model (OSM), wherein the technology staff you choose, work in mirrored environments at our India location. Key advantages are:

- Faster turnaround time in submitting profiles of potential resources for your requirement
- Higher efficiency; easier and faster onboarding
 - Resource and time overlap ensures round-the-clock progress on your projects
 - Project-related work during India day; Review and communication during US day
 - Optional project management service from ensures the staffed resources are even more efficient, offshore

Mastech Digital's Facility, NOIDA, India
